30<sup>th</sup> November 2017

Dear Parents and Carers,

## **TELFORD INFANT SCHOOL WEBSITE AND APP**

We are delighted to announce the launch of our brand new website and App for parents which we have introduced in response to feedback from our Spring 2017 parent questionnaire regarding communication from school.

### Website

Although from tomorrow morning our website will look very different our website address hasn't changed and it can still be accessed at:

[www.telfordinfant.co.uk](http://www.telfordinfant.co.uk)

We are very proud of our new website and hope you will find it informative and interesting and that you will access it frequently. We are still getting to grips with the workings of maintaining it so please be patient if we haven't got it quite right yet! However, as always we do appreciate any feedback you may have. We look forward to developing our website further to meet everyone's needs.

### Parent App

In your child's book bag today you will find a hard copy of a letter that provides information on how to set up the Telford Infant School App as well as your unique login details.

E-schools offer various services. However, once you have registered you will be able to view individual pupil information, school attendance, receive school information and book appointments securely via the Parents Evening booking system. There is also a calendar and alerts system to allow access to the school calendar.

We hope that you enjoy using our new website and App.

Yours sincerely,

*SA Oustayiannis*
