

SMILES – After School Club Price Increase 2018

Dear Parents and Carers

I am writing to let you know that after reviewing the price of SMILES After School Club and comparing with other local providers, we will be increasing the fee to **£9.50** per session.

This will come into effect at the start of the Autumn Term in September and invoices will be sent out as normal at the end of the Summer Term.

If you have any queries about this please do not hesitate to contact us on Smilesclub@welearn365.com.

Kind regards

Michelle Hutton
Smiles Business Manager
