Dear Parents/Carers

We wanted to take this opportunity to wish you all a Happy New Year and introduce or re-introduce ourselves to you if you are new(ish) to our school community!

As Special Educational Needs and Disabilities Co-ordinator (Sue Penton) and SEND Governor (Cath Errington) we work closely together to ensure that all children in school have the best available support to meet their needs, whether this is support for physical, communication, academic, social or emotional needs.

If you ever have any questions or concerns about your child's needs please talk to your child's class teacher in the first instance, but feel free to contact us at any other point. We welcome any specific SEND related questions, feedback or concerns you may have regarding your child's needs. You can contact us through the school office.

There is also information regarding Special Educational Needs and Disability on the school website or for more information on SEND and the Local Offer you can telephone Family Information Service on;

0845 090 8044/ 01926 742274 or find them online at www.warwickshire.gov.uk/send

Best Wishes

Sue Penton and Cath Errington
