

CHRISTMAS CARDS

If your child wishes to send Christmas cards to their friends in school this year they will be able to post cards in a Christmas Stocking that will be placed on each classroom internal door from Monday 4th to Friday 22nd December.

Please ensure that the recipient's name and class are clearly marked on the front of the envelope.

Many children choose to send a card with a message to a whole class of children rather than to individual friends, in which case please write the class name only on the envelope.

The children are encouraged to post their cards independently so please do not come into school with them through the main entrance to do this.
