

12th October 2017

Dear Parents and Carers,

This year we are undertaking a project in partnership with Cauliflower Cards and next week your child will create their very own Christmas card design which will be sent home on Thursday 19th October.

The artwork your child has created can be accurately reproduced in full colour onto Christmas cards and/or gift tags which you can purchase if you wish to. The cards recognise and celebrate each child's creative efforts and are great to send to family and friends.

Once you have received your child's card design, you can order cards and/or gift tags by completing the order form that will be supplied with your child's artwork. Once payment has been made on PARENTPAY, **please return your child's design and your order form to your class teacher by Friday 3rd November** at the latest so that we can send it off for publishing. Your order will only be processed on receipt of payment.

Prices are as follows:

- * Standard packs consists of 12, A6 cards printed and varnished onto coated card and 12 white envelopes.
- * Your child's name is printed on the front of each card and their name as the designer is printed on the back.
- * Cards are available with choice of a greetings printed inside or left blank
