At Telford Infant School we are proud to be an inclusive school where every child and family is valued. We want all children to be inquisitive, resilient and successful learners who are eager for their next challenge. In line with the Equality Act 2010, we have set the following objectives;

1. Promoting Fairness and Respect

We will teach our children to value and respect one another, celebrating differences in culture, language, faith, and family background.

2. Closing Gaps in Learning

We will make sure that all children, including those who may need extra help or are from disadvantaged backgrounds, are supported to achieve well in all areas.

3. Supporting Participation

We will encourage all children to take part in clubs, activities, and leadership opportunities, making sure no child is left out because of background, gender, or additional needs.

4. Keeping Everyone Safe

We will continue to reduce and challenge any use of unkind or discriminatory language, helping children understand the importance of kindness, fairness, and respect.
