Dear Parent/ Carers

After half term we are running the Warwickshire 'Taking Care Programme'. The four week programme aims to teach children about feeling safe and building networks of support they can use if they don't feel safe at a level which is appropriate to their age. We deliver the programme every year across the school and shall be covering the following areas:

Week 1 - Body Privacy

Week 2 - Early Warning Signs

Week 3 - Naming personal body parts using biological names and talking about secrets.

Week 4 – Building networks of adults we can go to if we do not feel safe.

We have all been recently trained by the Warwickshire Safeguarding Children's Board in delivering these messages and we are very aware of, and sensitive to children's individual personal needs
If you have any queries please do not hesitate to contact your child's class teacher.

Yours sincerely,

Kate Walsh
PSHE Curriculum Leader
