Dear Parents and Carers of children in Magenta Class,

I am writing to let you know that Mrs Barry will be leaving Telford Infant School at May half term to start an exciting new role at Stratford Grammar School as a Laboratory Assistant.

Mrs Barry has been a much valued member of our school for many years and will be greatly missed by us all.

For your children's final half term in Magenta Class Mrs Louise Barnes will take on the role of fulltime Teaching Assistant. Mrs Barnes has been working across our three Reception classes this term and is already well known by many of the children.

I am sure you will join me in wishing Mrs Barry every success and happiness in her new role.

Yours sincerely,

Mrs SA Oustayiannis
Headteacher
