Autumn Term 2018

Welcome

Welcome to our Autumn Term newsletter. We have lots to share with you this term of what has been happening in school and also celebrating the achievements of pupils outside of school. Our celebration assemblies are held on a Friday afternoon and this is an opportunity for children to share their trophies, certificates and medals with the whole school.

Year 2 teachers and pupils have been working with Top Corner coaching learning skills in games such as tactics and understanding the role of opponents. In gymnastics they have been learning the skill of sequencing rolls, jumps and landing correctly.

Our after school clubs have been very successful this term and we are looking forward to another full and exciting spring term.

On behalf of Telford Infant School I would like to wish you all a safe, happy and active Christmas break and we look forward to seeing you all in the Spring term.
