22 April 2021

Dear Parents,

We hope you and your children have had a wonderful Easter break. Our theme for this half term is Beatrix Potter. The children will enjoy learning about the life of Beatrix Potter, including where she lived in the Lake District, the animals that inspired her tales and how she used her fame and fortune to conserve the countryside for us to enjoy today.

Year 2 Assessments

During Learning Reviews many of you were asking whether Year 2 children would be sitting SATS this year, as directed by the Department of Education, the KS1 SATs will not be carried out. Your child's teacher will use a range of evidence from across the curriculum to make their final judgements at the end of the year.

Home learning

Please find attached the fun activities on the home learning Take Away Menu. In addition, your child's teacher may send home extra learning opportunities to support your child's spelling, handwriting or mathematics.

Enjoy reading with your child daily, listening to them develop their own reading but also modelling intonation and expression by reading to them.

PE

Please ensure your child has their **named** PE kit in school every day, including suitable trainers as PE will be outdoors this term.

Water Bottles

We encourage children to drink plenty of water throughout the day so please send your child into school with a clean bottle filled with clean water. Please remind your child not to put this in their book bags as water bottles sometimes leak and unfortunately many reading books get damaged.

We are really looking forward to a great half term of learning in Year 2 as we all continue to follow the guidelines to keep us all safe. If you have any questions, please do not hesitate to email, or telephone the school office and your child's class teacher will contact you as soon as she is able to do so.

Thank you for your continued support.

Kind Regards,

Year 2 Team
