

Summer Fair Help

We are looking for someone to share the lead role in organising the PTA Summer Fair this year, along with Katy our fair co-ordinator. You will receive support from the other committee members and we will run through how it all works. Unfortunately without the extra help, then we might need to cancel the event this year.

If you are interested then please get in touch as soon as possible: pta.telfordinfants@gmail.com or leave a note with the school office.

Many thanks
