

IMPORTANT INFORMATION ABOUT THIS YEAR'S CHRISTMAS PERFORMANCES

We are delighted that, unless there is an outbreak of COVID-19 in school in the next fortnight, parents will be able to enjoy this year's Christmas performances in person.

In order to allow this to happen Risk Assessments have been drawn up and the school has put in key measures to help make these events as safe as possible for everyone. There are also some measures that parents are required to follow and we are very grateful for your support:

- Under no circumstances will we be able to admit more than 2 adults per child performing at each Christmas production. Unfortunately the school cannot accommodate younger siblings.
- Reception and Year 1 performances will be held in the school hall with chairs set out in 2s. Please line up outside the main school entrance and we will let parents in as soon as the hall is ready. Visitors will not be able to access other areas of the school.
- On this occasion the audience are asked not to stand or move from their seats during the performances.
- Further to the updated DfE guidance for schools on 28th November parents and carers will need to wear a face covering at all times whilst inside the school building (Reception and Year 1), unless they are exempt. We also ask that visitors to the church (Year 2) wear a face covering please, unless they are exempt.

As in the past:

- Parents and carers are very welcome to video record and take still photographs of their own
 children only during performances. We understand that at times images of other children
 and/or school staff may be inadvertently captured and these must not be shared publicly,
 including not being uploaded onto social media.
- At the end of each performance a collection plate will be available should you wish to make a small donation.
 - Reception and Year 1 all money collected will be put directly towards the purchase of resources for your child's class.
 - Year 2 donations collected at church at the end of the Year 2 performance will be shared with the church as a thank you for hosting the service and the remainder will be spent on resources across Year 2.
 - This is completely optional our wish is that you enjoy our performances and that you leave with a big smile!

Grandparents Christmas Decorations

A huge, huge thank you to our wonderful Telford Infant Grandparents for supporting us with the creation of our class wreaths and stars for our Christmas tree.
