Thursday 8th July 2021

Dear Year 1 Parents and Carers,

END OF YEAR REPORTS

This is advance notice that at 9am on Thursday 15th July your child's report will be available for you on your child's Tapestry account. Please ensure you download this if you would like to keep a copy.

Please note that normally at the end of Year One your child's performance in the Year One phonics screening is included in their report. However, due to COVID-19 the government has suspended all statutory assessments for this year. The reported assessment you will see for phonics is a teacher assessment based on whether your child is working towards phase 5 or working within phase 5. There is no greater depth assessment for phonics.

In addition the links to two google forms will be sent to you through eschools next Thursday, 15th July:

- 'Report Comments 2021'
All parents have the opportunity to respond to their child's report, which can be done by completing the google form entitled 'Report Comments 2021'. The closing date for completing this form will be 31st July. We would love to hear from you and hope you will take time to do this.
- 'Report Appointment Request 2021'
If there is any aspect of your child's report you wish to discuss, please complete the google form entitled 'Report Appointment Request 2021' by 9am on Monday 19th July.
Appointments will be by telephone and teachers will make phone calls to parents before the end of term.

I am so proud of our Year 1 children and it has been a pleasure to see them settle into Year 1 and take on the demands of a new key stage in their education. This has been another disrupted year for us all but the children have adapted and they should be very proud of everything they have achieved. I look forward to seeing them continue to build on their successes and their love for learning in Year 2.

I hope you enjoy reading your child's report.

Yours sincerely,

Mrs Siân Oustayiannis
Headteacher
