

Spring 2 – Into the Woods

Year 1 Optional home learning

This is a takeaway menu of home learning for you and your child to choose from should you wish to complete any home learning. Please bring in anything that you create to share with the class.

Go for a nature walk with your family and look for signs of Spring. What did you see?

With a grownup, visit a shop and buy something small with some money. How much did the item cost? What coins did you use? Did you get any change? You could show us this in a photo.

Create a simple map of your garden with labels. For a challenge, can you add a key?

Press some flowers and use them to create a picture.

<https://www.redtedart.com/how-to-press-flowers/>

Measure the height of everyone in your family. Who is shorter than you? Who is taller than you? Who is the shortest and tallest in your family?

Make a fact file of your favourite animal, including what they eat. Find out if they are herbivore, carnivore or omnivore.

Please read every day and learn your common exception words for year 1 which are in your reading diary.
