

1st October 2020

Dear Parents and Carers,

This year we are undertaking a project in partnership with Cauliflower Cards and soon your child will create their very own Christmas card design, which will be sent home on Thursday 8th October.

The artwork your child has created can be accurately reproduced in full colour onto Christmas cards, gift tags and/or mugs which you can purchase if you wish to. The cards recognise and celebrate each child's creative efforts and are great to send to family and friends.

Once you have received your child's card design, you can order cards etc. by completing the order form that will be supplied with your child's artwork. Payment is made **on-line** direct to Cauliflower Cards as detailed in the pack (**not to school**), please return your child's design to your class teacher by **Thursday 15th October** at the latest so that it can be quarantined and then sent off for publishing. Your order will only be processed on receipt of payment.

Prices are as follows:

- * Standard packs consist of 12, A6 cards printed and varnished onto coated card and 12 white envelopes.
- * Your child's name is printed as the designer on the back.
- * Cards are available with choice of a greetings printed inside or left blank

The school makes a small commission on all cards and products sold which we spend on Art resources for the children.
