

Grandparents Christmas Decorations

Dear Grandparents,

We love to involve you in the life of our school and we would love for you to participate in our Christmas festivities this year by making some handprints and/or star decorations with your grandchildren at home and sending them into school by Monday 29th November.

A Christmas handprint for their classroom wreath.

Please draw around the child's hand on a piece of paper. Cut it out and draw a Christmas scene inside, or turn the hand into something Christmassy.

A Christmas star made of recycled plastic.

These will be made into a garland to decorate our Christmas tree at the Christmas Tree Festival at Lillington Parish Church.

Once the tree has been decorated you will be able to visit St Mary Magdalene's Tree Festival with your family.

We look forward to receiving your beautiful contributions.

Thank you,

Telford Infant School Team

PS. Dear parents if your child does not have grandparents or if they live far away, we would love to receive the handprint or star decorations made by your child and another family member, or family friend, or by yourselves and your child.
