8<sup>th</sup> October 2020

Dear Parents/Carers,

## HARVEST

Autumn has arrived and the children will be celebrating Harvest next week. Due to the current circumstances, Harvest celebrations will look slightly different this year.

On **Friday 16<sup>th</sup> October**, children in Reception, Year 1 and Year 2 will be celebrating Harvest Day. This year, Harvest Day also links with World Food Day so there will be a whole school day of learning about where food comes from, what Harvest means and how it is celebrated.

As part of our Harvest celebrations, we will be supporting the Leamington and Warwick Foodbank. The Foodbank currently has an excess of certain foods and has asked that, instead of donating foods, we request a donation of 20p for families who would like to contribute. We shall send all donations collected to the Foodbank to enable them to purchase the food items they need.

If you would like to support our collection, please send in your donations between **Monday 12<sup>th</sup> October and Friday 16<sup>th</sup> October**. Throughout next week, your child's class teacher will have a pot ready outside of the classroom door for your child to place their donation in should you wish to.

Donating money to the Leamington and Warwick Foodbank is a great way that Telford Infant School can be involved in supporting the local community to purchase food items for those that need it. We would really appreciate any donations you are able to give.

Please speak to your child's class teacher if you have any queries.

Thank you for your support,

Miss Maria McEnery

RE Subject Leader
