**June 2021**  
**Governors Writing competition**

Dear all,

WOW, what fantastic writing you all have been doing. We would like to thank all the children who took part in our governors writing competition, it was really hard to narrow down a single winner from each year group. As you will see from the below, we have received some brilliant and very nicely written writing in the form of poems, lists and even jokes which made us giggle.

The vouchers go out to the following children:

|           |   |                     |
|-----------|---|---------------------|
| Reception | — | Efa in Magenta      |
| Year one  | — | Georgia in Sunshine |
| Year two  | — | George in Indigo    |

Congratulations to you all, you should be proud of your work, and we look forward to visiting school soon in person to also see the other fantastic work you have been learning about.

Best wishes  
***Telford Infant School Governing Board***
