19<sup>th</sup> September 2019

Dear Parents and Carers

A very warm welcome to Reception!

Thank you for supporting us with the home visit and bravely leaving your children at the classroom door. This has really helped the children to learn the morning routine, settle quickly and be independent.

As parents, there is always a lot to take on board during the first few weeks and our aim is give you information as required. To help with this please always read the school newsletter to stay up to date about what is happening in school and look out for the reception emails on Thursdays. Sometimes we will also put posters outside our classroom doors or ask the class PTA rep to add things to the class Facebook group (ran by parents not the school).

## **\*\*\*Key dates coming up\*\*\***

### **\*\*\* Requests\*\*\***

We would be very grateful if next week (Monday 23<sup>rd</sup> September) you could send your child to school with a real vegetable of their choice (each child only needs one vegetable). This could be anything from a humble potato to a corn on the cob. The children will be using the vegetables as part of our learning about Supertato Veggies Assemble.

If at any point you have any questions, please ask your child's class teacher and we look forward to seeing you at our Welcome Meeting next week.

Kind regards

The Reception Team
