4<sup>th</sup> September 2020

Dear Parents and Carers,

### UPDATE: START AND END OF SCHOOL DAY

Further to yesterday's newsletter I would like to thank you for continuing to work with us to get the drop off and collection times at Telford Infants as safe as we can for the whole school community. Overall the feedback regarding the start and end of the day is very positive.

However, I am aware that parents who have earlier time slots for a sibling at the Junior school and a later one with us are having to wait in between these times. This has resulted in some parents coming onto the Infant site outside of their time slots which defeats the principle of keeping the number of people on site at one time to a minimum.

I have arranged to meet with Mr Siviter on Monday to discuss this and I shall get back in touch with you as soon as I am able to do so. In the meantime to those of you this affects please understand that we are doing our very best get this right but have little room to manoeuvre under both the government guidelines for social distancing and teaching time and the layout and size of the school site.

Finally, my staff are working exceptionally hard to ensure the safety of everybody following the stringent guidelines set by the government and the terms of our Full Reopening Risk Assessment and I ask that you treat them with courtesy and respect. We always welcome feedback from parents and if you have any comments, queries or concerns about the systems and processes that have been put in place please contact the school office by email or phone and somebody will get back to you.

Wishing you all a happy weekend.  
Yours sincerely,

*SA Oustayiannis*

Mrs Siân Oustayiannis  
Headteacher
