

TELFORD INFANT SCHOOL

NEWSLETTER

Dear Parents and Carers,
Today your child will be bringing home their end of year report. I have really enjoyed reading them and hearing about all the wonderful learning they have enjoyed this year. A highlight for me has also been reading their own comments about their learning. I am so proud of each and every one of them.

Newsletters are usually sent home fortnightly but please look out for a special edition next Thursday when we will be saying goodbye and good luck to our Year 2 children and also to a number of staff.

Some important dates for the new academic year will also be available in next week's newsletter.

Best wishes,
Mrs Siân Oustayiannis
Headteacher

PTA SUMMER FAIR

We all hoped you enjoyed the games, food and entertainment at our PTA Summer Fair this year.

Thank you to all the families and staff who baked, cooked, donated, sold, built gazebos, lifted, carried, donated, barbequed, fund matched and helped with the numerous jobs needed to make the fair a success. We are very grateful to you all and to all of our visitors who came along and joined in the fun.

The PTA treasurers are just totting up the final figures and we will let you know how much the Fair raised as soon as we can.

DAY OF THE AFRICAN CHILD

Well done to the children who represented our school at this year's Day of the African Child at All Saints Junior School.

"We made lots of new friends from different schools and learnt African songs and dances."

SUMMER READING

Libraries are great places for children to discover reading for pleasure and there is no better time to do this than during the long summer holidays.

The **Summer Reading Challenge** is designed for children between the ages of 4 and 11. It is completely free and last year 699,076 children took part in libraries across the UK.

Every year the Challenge has a new theme. The Summer Reading Challenge 2019 theme is **Space Chase**, an out-of-this-world adventure inspired by the 50th anniversary of the first moon landing. Children taking part in the Challenge will join a super space family, The Rockets, for a thrilling mission to track down books nabbed by mischievous aliens! Space Chase will feature bespoke artwork from top children's illustrator, **Adam Stower**, and will celebrate adventure, exploration, reading and fun!

The children will find out about this initiative during assembly on Monday next week and parents can learn more by following the link below to the Summer Reading Challenge website:

SPORTS DAY

The weather was very kind to us last Friday afternoon for Sports Day. The children took part in different activities earning points for their colour team – red, white or blue.
