Dear Parents,

Following our recent announcement regarding the new online safety service [Just Ask Max](#), we are happy to let you know that the service is now live! We are pleased to join our local schools who are also offering this service to their communities.

Use the code **TEL230** to get a 30% lifetime discount (£2.79/month). Just Ask Max can help across a myriad of tech-related issues, from parental controls, screen time, online gaming, cyber bullying, to helping your children have a healthier relationship with tech, digital detoxing and becoming less dependent on social media.

To activate your free trial;

1. Navigate to their [website](#) and click the orange 'Free Trial' button (top right)
2. Enter the discount code above when you reach the payments screen
3. Done! Your 1 week free trial has started.

If you have any issues or questions, click on their live chat (purple icon in the bottom right of their website) and they will be happy to help. Just Ask Max will also be running some interactive webinars which we will notify you of in due course.

We hope you and your family find this new service useful.

Kind Regards

Louise Roberts

Deputy Headteacher
