

20.04.20 Important information about online reading books and tapestry for all children

Online reading books

Thank you again for bearing with us on this. We wanted to try a new online book provider to match the new phonics books we have purchased but this has proved unsuccessful due to the instability of their website. Therefore, we have gone back to using Active Learn and the Bug Club book system for online reading. This has taken some time to set back up due to very high demand but is now up and running again. Your child already has a login for active learn and this has not changed. Your child's class teacher has allocated a book band for your child based on their reading level before school closed. This will be reviewed fortnightly by your child's class teacher but please email admin2326@welearn365.com if you wish to discuss reading with your child's class teacher and they will email you back as soon as they can.

If you have any problems accessing active learn please email admin2326@welearn365.com and we will support your queries as quickly as we can.

| | |
|-----------------|---|
| Website address | www.activelearnprimary.co.uk |
| User name | The first 4 letters of your child's first name and the first 4 of their surname e.g. Daniel Smith would be danismit if your child's name is less than 4 letters then it will only use the letters they have e.g. Ann Jones would be annjone |
| Password | Your child's current class all in lower case e.g. magenta |
| School code | S9ll (2 lower case Ls) |

Tapestry

Tapestry is an online learning journal, which your child will have used when they were in reception. Whilst school is closed, we have extended this service to all year 1 and year 2 children. You will be receiving your login details for tapestry over the next 2 days. This will be in the form of a link sent to the priority email we hold in school. Please check spam and trash folders in case your email provider automatically puts the email in there, as it comes from a tapestry email address not the school admin address. When you follow the link provided it will require you to set up your password and notification options. Tapestry can be downloaded as an app on both android and iOS or used on a laptop at <https://tapestryjournal.com/>

You may remember that tapestry allows you to post photos and videos of the learning your child has been doing at home. This is a fantastic way for your child's class teacher to communicate with you and your child. The class teachers will also upload videos and documents to support your child's learning so please check tapestry regularly once you are up and running.

If you currently have a child in reception and therefore, an active tapestry account, the account details for your year 1 or 2 child will be different and not linked to your existing account. This is because we have set up a separate temporary account for year 1 and year 2 to cover the period school is not open.

If you have any problems accessing tapestry or activating your account please email admin2326@welearn365.com and we will support your queries as quickly as we can.
