Dear Parent/Carer,

Instrumental Lessons – Violins

We are very lucky to be able to continue to offer violin lessons to our year 1 and 2 children on a Thursday afternoon with our violin teacher Jo Radomski. We currently have places available for children who will be in years 1 and 2 in the next academic year, as our year 2 children move onto Junior Schools.

This year, we are pleased to be working with Warwickshire Music on their direct parent billing pilot. This means that you will be billed directly by Warwickshire music for your son/ daughter's music lessons that take place in school from September. This arrangement will include Year 1 pupils who are currently having violin lessons with Jo Radomski.

Signing Up for lessons

In order to sign up for music lessons with Warwickshire Music, you will need to register your child for the lessons using the sign-up link below. Please can all pupils currently having lessons with Jo Radomski also sign up, as the school will no longer be billing or arranging the registers for our pupils.

Online Enrolment

You will need to create an account and then select the instrument you require along with your preference for lesson length and type. The instrument type available at Telford Infant is:
