Thursday 2<sup>nd</sup> July

Dear Reception Parents

At 9am on 6<sup>th</sup> July your child's report will be on tapestry. Please ensure you download this before tapestry accounts close on 31<sup>st</sup> July. Due to partial school closure, the comments in this report reflect the school year from September 2019 to March 2020. Normally at the end of the reception year, a judgement against the Early Learning Goals (ELGs) is made before the children move to work under the National Curriculum in Year 1. However, due to COVID-19 the government have suspended all statutory assessments for this year.

Your child's report includes an overview of the 'Characteristics of Effective Learning'. Judgements here are made based on how the children work **independently** and across a wide range of activities and situations. The yellow highlight indicates the areas which your child demonstrates this characteristic **consistently**. An un-highlighted box does not mean they do not demonstrate these characteristics, but, that as practitioners, we do not feel we have seen this as embedded in their approach to their learning (from September 2019 to March 2020).

All parents have the opportunity to reflect on their child's report, which can be done by completing the google form entitled 'Report Comments 2020' the link to which is attached to this email.

If there is any aspect of the report you wish to discuss, please complete the google form entitled 'Report appointment request 2020' by Wednesday 8<sup>th</sup> July the link to which is attached to this email – appointments will be by telephone.

I hope you enjoy reading your child's report.

Yours sincerely,

*SA Oustayiannis*

Mrs Siân Oustayiannis  
Headteacher
