Dear Parents and carers,

PRIME MINISTER'S STATEMENT REGARDING THE PHASED REOPENING OF SCHOOLS

You will no doubt have seen Boris Johnson's statement to the nation yesterday evening which included reference to the possible reopening of schools to Reception, Year 1 and Year 6 pupils in June should the lockdown status be successfully lowered by that time.

Schools are now awaiting further information from the government and the Local Authority about their expectations of schools and once we have the information we need we shall then be able to work on meaningful plans for reopening. School would of course only open to an increased number of children in June if we are instructed that it is safe to do so.

I am writing to reassure you that we will do our utmost to get reopening as right as we possibly can for the children and that I will inform you of the school's plans as soon as I am in a position to do so. I fully appreciate that many parents and carers will want and need to know what this means for your children but I ask you to be patient while my team works on putting plans in place.

Please note that if you are planning to return to work and do not fall under the original government list of keyworkers unless instructions from the government change we are not able to allow your child into school at present.

Sending all of you my very best wishes at this very uncertain time.

Yours sincerely,

Sian Oustayiannis

Mrs SA Oustayiannis
Headteacher
