## Physical Education Newsletter

**Spring Term 2019**

### Welcome

Welcome to our Spring Term newsletter. We have lots to share with you this term about what has been happening in PE in school and also celebrating the achievements of pupils outside of school. Our celebration assemblies are held on a Friday afternoon and this is an opportunity for children to share their trophies, certificates and medals with the whole school.

Year 1 teachers and pupils have been working with Top Corner coaching learning the skills and rules in Archery. In Gymnastics Year 1 have been learning all about the skill of sequencing rolls, jumps and landing correctly.

Our after school clubs have been very successful this term with an athletics club starting on a Thursday. We are looking forward to another full and exciting summer term. Please ensure that PE kits are in school and correctly labelled.

If you are attending any of our clubs and are wanting to bring a snack please only bring a portion of fruit. Children can use their school water bottles for a drink.

On behalf of Telford Infant School I would like to wish you all a safe, happy and active Easter break and we look forward to seeing you all in the Summer term.
