

Below are a few ideas of how you might use the resources in the phonics support pack.

**MATCHING PAIRS** – using two sets of sounds/ phonemes or tricky words, spread them out upside down. Take it in turns to turn two over, say the sound/ word. If it matches you keep the pair and have another go.

**BINGO** – create a simple Bingo card with some of the sounds/ tricky words or words containing the phonemes. Take it in turns to be Bingo caller!

**RAINBOW WRITE** – write a sound/ tricky word in yellow. The children can trace over in as many colours as they want to create a rainbow.

**RUN AROUND** – hide sounds/ words around the house or garden. Challenge the children to find the ones you are asking for.

**NOUGHTS AND CROSSES** – choose a sound/ word each. Fill in a noughts and crosses grid with the sounds/ words rather than the 'O' and 'X'.

In class we use

[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)

[www.ictgames.com](http://www.ictgames.com)

[www.lettersandsounds.com](http://www.lettersandsounds.com)

These websites offer games which the children really enjoy.
