**Letter from Telford Infant School Governors**

Dear all,

Thank you for taking time out to read our communications, it has been brought to light that sometimes these letters get missed via the email so for future the PTA is kindly allowing us to use the Facebook feed to also share these with you as for us its important that you know how and what the governing body have been up to.

We want to thank all the children who took part in our "What Makes You Smile and Laugh competition" we have received several entries which we will judge during half term and share with you after the holidays the lucky winner, we are very much looking forward to see and reading all.

**What we have been up to:**

As restrictions are slowly being lifted some of the governors have occasionally been into school to support various activities such as interviews and finance planning, this is to draft a budget and maintain a up to date financial plan. We have just completed our termly governor meeting where which we caught up on the school life and the progress of the children. We can share with you that the staff are so happy with how the children have settled back into loving learning at Telford Infants and normality is well and truly showing and flourishing.

As governors we have conducted some training on Preparing for a Ofsted Inspection, which we found very insightful and will be sure to monitor our school intent, implication and impact for all children, additionally we have several other training dates planned which we are very much looking forward to such as EYFS.

If anyone would like to be part of the governing body, we have a vacancy, please see below

Clerk to Governors:

<https://www.telford-inf.warwickshire.sch.uk/web/vacancies>

Lastly, thank you again to our wonderful staff who have had so much fun with the children this term, and can't believe already that we will come back into our final summer 2 term. We have planned

many exciting challenges for the children and look forward to seeing you then and by that time we hope that we can offer you to come and visit the school also.

Lastly, please ensure that you remain safe and support our school community by adhering to the rules set out.

Thank you for taking the time to read through this letter and if there is anything you wish us to feedback on please let our chair Sarah Boad know by contacting the office or emailing [boad.s1@welearn365.com](mailto:boad.s1@welearn365.com)

Best wishes

***Telford Infant School Governing Board***
