Dear Parents and Carers

ESCHOOLS PARENT PLATFORM AND APP

All Reception parents/carers should receive a hard copy of a letter in children's book bags today containing unique logon details to access your eSchools account on the Telford Infant School platform and App.

We would like to encourage all parents/carers to use the platform as there are many benefits such as viewing individual pupil information, attendance, receiving school correspondence, access to the school calendar and **booking appointments for parents evening.**

You can log onto the platform via your browser. Go to our school website: telford-inf.warwickshire.sch.uk and click on the eSchools login button. This will take you directly to the login page. If you do not have your logon details, please speak to the class teacher.

Mobile App

We would also recommend that you download the app to your mobile device/tablet. By doing so, you will be able to link up to the school calendar, view relevant information and receive notifications on the go, so you do not miss any important updates.

It's easy to download. Just click on the following links depending on the device you are using:

<https://play.google.com/store/apps/details?id=uk.co.eschools.eschools>

<https://itunes.apple.com/gb/app/eschools/id824220621?mt=8&ign-mpt=uo%3D4>

All school correspondence is sent out via eSchools. As well as loading onto the platform, it still goes to your e-mail account. Should you not receive any e-mails, please check your Spam folder as it may have gone directly there.

We hope that you enjoy using our platform and App.

Yours sincerely

SA Oustayiannis
