Dear Parents and Carers,

## SCHOOL REOPENING FOR ALL CHILDREN – MONDAY 8<sup>TH</sup> MARCH

You will no doubt be aware from the Prime Minister's announcement yesterday that schools will reopen to all pupils in England from Monday 8<sup>th</sup> March. All of us here at Telford Infants are delighted to be able to welcome all our children back – we have really missed learning altogether.

The Department for Education has published updated Operational Guidance (a 67 page document) for schools to follow from 8<sup>th</sup> March and we are currently checking that our reopening plans match the government expectations whilst reviewing our Risk Assessment against this document. I shall be in touch with you again to confirm full arrangements as soon as we are confident that all aspects of the guidance have been fully covered.

Mrs Berry, SMILES Club Manager, will also be in touch with families who normally access Breakfast and After School Club provision as the intention is to reopen on 8<sup>th</sup> March under the same conditions as during the Autumn term.

In the meantime please be aware that your child may have mixed emotions about the full reopening of school – this is completely normal and to be expected. Many will have been at home for many weeks now and children attending school in person will have had a very different experience in school so far this term. Please be reassured that the children's wellbeing is at the heart of our reopening plans.

Thank you for so much for all that you are doing to support the school at this time. I am really looking forward to welcoming everyone back very soon.

Yours sincerely,

Mrs Siân Oustayiannis  
Headteacher
