Book Bands at Telford Infant School

We place a great emphasis on reading and believe that every child should develop a lifelong love of books and enjoyment of reading. We aim to make reading meaningful by immersing children in a rich literacy environment.

When teaching our children to read, we encourage them to apply many reading strategies and to reinforce and develop their phonics skills. Children are given lots of opportunities to experience a range of different text styles.

We follow a colour Book Banding System at Telford Infant School. Each colour band allows the children to choose from an exciting range of fiction, non-fiction and poetry books at a level that is appropriate to their reading skills.
