

## Physical Education Newsletter Spring 2020

### Welcome

Welcome to our Spring term newsletter. We understand this is a challenging and somewhat unusual situation that we find ourselves in. As we are unsure of when we shall be returning to normal if you would like to share any activities with us during this time then please email the school directly and we can share the news on our Summer term PE newsletter.

There has been lots to celebrate in our assemblies which are held on a Friday afternoon when we are able to share the achievements of pupils.

Sapphire, Turquoise and Indigo class have learnt to use a range of apparatus in gymnastics. In dance Year 2 were passengers on the Titanic and learnt different dances that took place on the iconic ship.

Amber, Primrose and Sunshine have learnt gymnastic skills putting a sequence of movements together and performed dances linked to the space topic.

Cherry, Crimson and Magenta worked with Top Corner Coaching in gymnastics putting together movements and using equipment safely. Reception have also enjoyed Ready, Steady, Go using all the apparatus for gross and fine motor skills.

We wish you all a safe and happy impromptu break and look forward to seeing you all very soon.

Any Questions or comments? Email us at [admin2326@welearn365.com](mailto:admin2326@welearn365.com)
