14 February 2019

Dear Parents

We are very excited to announce that on Thursday, 7<sup>th</sup> March we will be celebrating World Book Day. This year's theme is 'Share a Book' so, on that day, we will all bring a book to share with a friend at school and we will also dress up as a character from our favourite story book. It would be fabulous if children could also bring a photo of them sharing a book with you, their grandparents or other family members.

Please remember to wear a warm coat and school shoes as we will be going outside at playtimes.

Thank you so much for your support in encouraging the children's love of reading.

Kind regards

Telford Infant School Team
