

TELFORD INFANT SCHOOL SPRING TERM PARENT QUESTIONNAIRE RESULTS AND ACTIONS

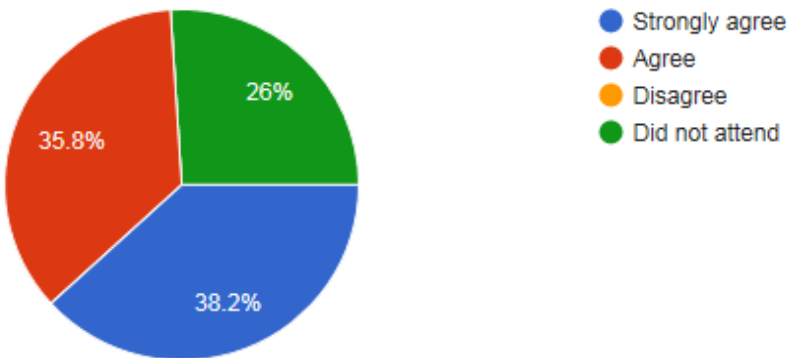

A huge thank you for completing our Spring Parent Questionnaire. We are extremely pleased that so many of you are happy with the communication systems we have between home and school. Below are the results, some quotes and the actions we have taken to make our school even better.

Year group of child (123 responses)

The January information evenings were informative and helpful. (123 responses)

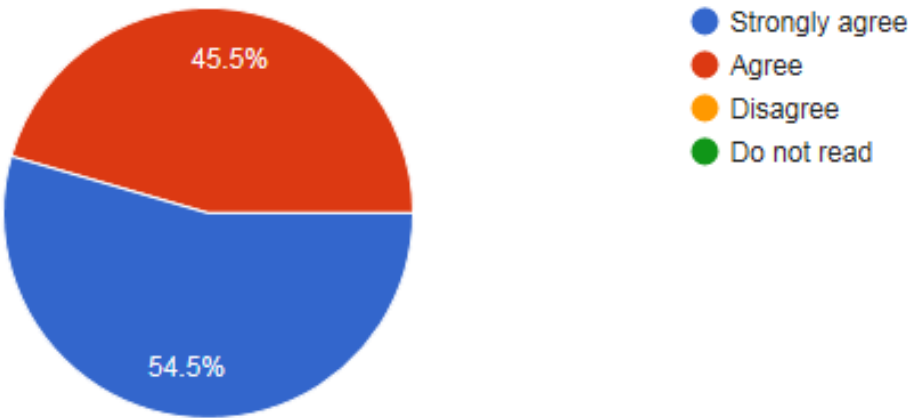

From feedback forms completed at the January information evening, many parents asked for help with maths learning. We are holding a maths workshop for KS1 parents on Monday 3rd April and hope to see you there.

The school newsletter is informative (123 responses)

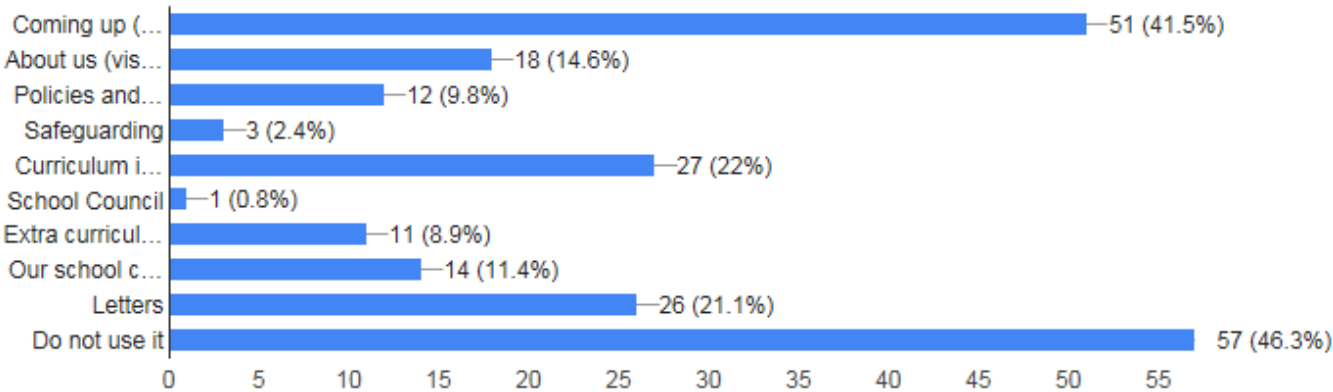

"The newsletter is glorious! Oozes character and warmth and gives a lovely overview of what has been happening in school."

We will continue to produce our fortnightly newsletter and are pleased you find it informative. Our web site also has lots of photographs on it and further information about what the children are learning.

We are working on improving the look and navigation of our website - if you have any expertise in this area you are willing to share we would love to hear from you.

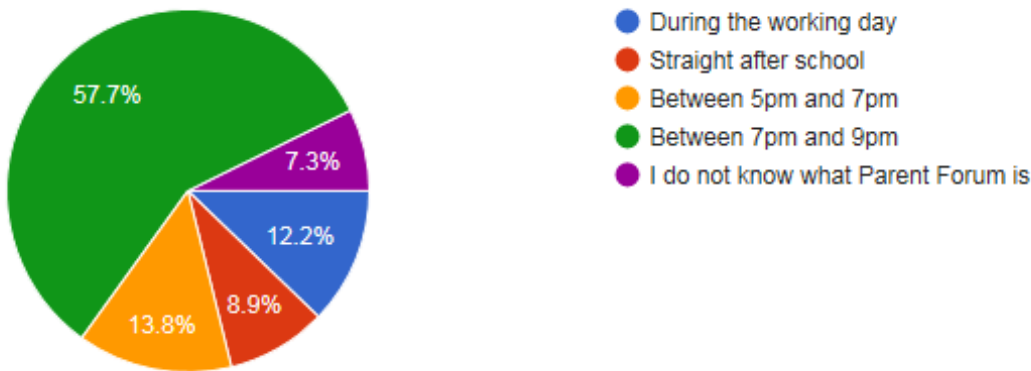

I use the school web site to access (tick all that apply). (123 responses)

I would attend Parent Forum if meetings were held (123 responses)

Parent forum will remain at 7pm and all parents and carers are always invited to attend. You do not have to attend every meeting, please come along as and when you can.

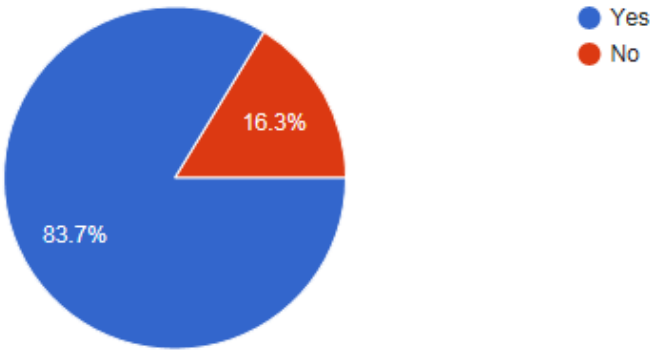

At Parent forum we discuss issues which matter to you and together find solutions to improve school. Sometimes we might find out what you think about changes or new ideas we want to introduce.

The next meeting is on Monday 27th March at 7pm.

TELFORD INFANT SCHOOL SPRING TERM PARENT QUESTIONNAIRE RESULTS AND ACTIONS

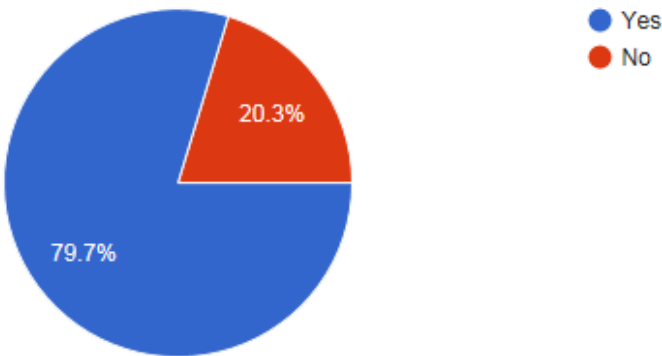

I would be interested in an 'App' to access key information about school
(123 responses)

"A Google calendar on the website would be a great addition. Fully support"

I would like to access a google calendar containing school events
(123 responses)

We are currently investigating using an app and online calendar and hope to have one or both in place by September 2017 at the latest. In the meantime, our newsletter, web site and text messages will alert you of forthcoming events.

TELFORD INFANT SCHOOL SPRING TERM PARENT QUESTIONNAIRE RESULTS AND ACTIONS

| You said..... | We are doing..... |
|---|--|
| A Facebook group would be useful. | We are investigating the use of an app which can be accessed on mobile devices. Many classes already have their own private Facebook groups which the school does not administer. |
| Information about after school clubs is not clear enough. | The office staff are busy compiling a list of all clubs and activities after school and their associated costs. This will be emailed to parents and put on our website in due course. |
| Online booking for parent reviews would be much easier than the current paper based system. | We will be trialing an online booking system for the year 2 leavers performance in the summer term. If the system meets our needs we will roll it out to cover all ticketed events and learning reviews from September 2017 onwards. |
