Chair report

The Chair welcomed everyone to the meeting and started off the introductions. She thanked everyone involved for such a great start to the 2019/2020 academic year. We were on course for a great year and then we were stopped in our tracks. The quiz was a huge success, the fair raised a record breaking £7,300 and the introduction of the estate agent boards brought in lots of money. The Valentines disco, went well and the children enjoyed it. The 'Coin snake' was a new fundraising event last year, it was really successful and it raised £460. We managed to carry out the Mother's Day present room on the day the school closed and then that was it. We missed out on a lot of fundraising including the sponsored bounce, Easter raffle, Father's day present room, Sports day and the Summer Fair. Just before lockdown we handed over a cheque for £8,450.

Head's report

The 2019/2020 was the most unexpected academic year and the school closure put a stop to so many events. The quiz night was great fun, the Christmas fair blew everyone away, it was a magical event. The money given to the school has been put towards the ipads. Thank you for everything the PTA does for the school and thank you for not forgetting the children during lockdown and providing book bags for the new Reception children and the leavers mugs for Year 2 children.
