10th September 2020

Dear Parents,

Welcome back to the new school year, I hope you and your families had a restful summer. Year 1 and 2 children have settled quickly into their new classrooms and routines and have lots of memorable learning ahead of them. Our reception children have been visiting us on a part time basis this week as part of our normal transition and have settled really well into their new classrooms and started to make new friends.

We value our strong partnership with parents and to help support this, we have updated our Home School Agreement to reflect the increasing importance of supporting home learning, particularly in the event of partial school closure. The Home School Agreement outlines the school's commitment to you and your child, your commitment to the school and your child's commitment to their learning and behaviour. A copy of this is attached to this email.

Please take the time to read the Home School Agreement and share it with your child. If your child is in year 1 or 2 they will already be familiar with our 'ways to help me learn' and will be able to tell you about them. We will be teaching our new reception children about these over the coming weeks.

Due to restrictions on parents coming into school, we are not asking you to sign a physical copy of the home school agreement this year. As a parent of a child at Telford Infant School we assume that you freely commit to this agreement. However, if you feel you cannot support it please email school to discuss your concerns.

Kind Regards

Louise Roberts
Deputy Headteacher
