

Take Away Menu – Spring 2

This term complete two of these fun challenges and upload them onto Tapestry by Thursday 18th March and Thursday 1st April.

<p>Go for a habitat hunt in your garden. What microhabitats can you find? Draw and label your favourite microhabitat.</p>	<p>As it is World Book Day this term dress up as a character from your favourite book and read the story to a member of your family.</p>	<p>Write a healthy breakfast recipe and have a go at making it. Take a photo and put it onto Tapestry.</p>
<p>Go for a Spring walk or watch BBC Springwatch. What animal with their offspring have you spotted? Can you name them?</p>	<p>All Creatures Great and Small</p> <p>Home Learning Take Away Menu</p> <p>Spring 2 2021</p>	<p>Ask your parents to share their favourite childhood story with you.</p>
<p>Using your best handwriting copy a verse from a poem about mini-beasts. Can you learn it and recite it?</p>	<p>Read a non fiction book about mini beasts. What do they eat? Describe their habitat.</p>	<p>Create a bug hotel for minibeasts to live in. Use your observing and communicating science skills. After a few weeks make a tally chart to show which minibeasts are living in your habitat.</p>

Keep practising telling the time and make sure you can read and spell the Year 2 Common Exception Words.
