Letter from Telford Infant School Governors

Dear all,

As governors at Telford Infant School, we'd like to introduce ourselves. We are a team of 13 people, consisting of the Head Teacher, staff, a local authority governor, parents of pupils and other members of the local community.

The role of a **school governor** is to contribute to the work of the governing board in ensuring high standards of academic achievement and safeguarding for *all* children at Telford Infants. We help in setting the school's vision, ethos and strategic direction whilst also holding the headteacher to account in all aspects of governance of the school, its staff and its pupils.

We are not involved in the day to day management of the school with all operational decision making performed by Sian and her leadership team but are instead focused on more strategic and long-term matters. We always welcome feedback and are more than happy to talk to parents and carers - either informally outside of school or when convenient during a school event.

What we have been up:

So far this year as well as supporting school events, we have completed four board meetings plus several learning walks and class observations to make sure all children are happy and enjoying the learning environment at Telford Infant School. These observations aim to ensure that *all* abilities are getting the high quality of teaching which we have come to expect at Telford Infants. The academic progress and enjoyment of the pupils is very pleasing to see with children both happy and safe within the school setting.

Upcoming events

Next Governing Board Meeting – 18th March
Monitor the delivery of the Learning Improvement Plan
SEN meeting to monitor progress
EYFS review and updates

Thank you for taking time to read through the above, if there is anything you wish us to feedback on in the next edition, please let our chair Sarah Boad know, by contacting the office, or emailing boad.s1@welearn365.com

Regards

Telford Infant School Governing Board
