

## **Easter activity ideas**

### **Go on an Easter egg hunt in the house or garden.**

Can you count how many eggs you found? Can you record this by writing your results? Try and incorporate the language of 1 more and 1 less into the egg hunt. You could use tricky words or numbers in your Easter egg hunt writing words or numbers on to the eggs.

### **Design an Easter egg using a repeating pattern.**

This could be using a variety of materials, playdough, paper and paint, markers or pencils, loose parts like buttons or pasta shapes, collage, painting a real egg or a stone shaped like an egg.

### **Design and create an Easter basket and/ or bonnet using junk modelling materials or using twinkl templates.**

### **Make Easter egg 'nest' cakes (cornflakes or shredded wheat, chocolate and mini eggs).**

Ingredients:

- 225g/8oz plain chocolate, broken into pieces
- 2 tbsp golden syrup
- 50g/2oz butter
- 75g/2¾oz cornflakes
- mini chocolate eggs

Method:

- Line a 12-hole fairy cake tin with paper cases.
- Melt the chocolate, golden syrup and butter in a bowl set over a saucepan of gently simmering water (do not let the base of the bowl touch the water). Stir the mixture until smooth.
- Remove the bowl from the heat and gently stir in the cornflakes until all of the cereal is coated in the chocolate.

- Divide the mixture between the paper cases and press 3 chocolate eggs into the centre of each nest. Chill in the fridge for 1 hour, or until completely set.

**Design, make and write a Happy Easter card for a friend or relative that you cannot see at the moment.**
