

On Wednesday 26th September we will be welcoming a very special visitor to our school.

As a special leaving gift for the children, Mrs Burns and Mrs O'Donoghue have sponsored a guide dog.

Claire Cobbold from the Guide Dog association will be visiting the school and bringing the guide dog we are sponsoring with her. We will find out all about the dog, including it's name, age, and how it is training to help people live independent lives.

To help support the fantastic work of the Guide Dog Association, your child is invited to bring in a small donation to pop in the collection box on the day.

We will make sure we take lots of photos of our special visitor for our website. Thank you.
